<b>NOTE:</b> The values to be used on pages 3 and 4 were determined in accordance with 50 IAC 4.3-7 which results in being stated at their True Tax Value.  Livestock, capitalized as depreciable assets for federal purposes, are to be reported at the unit values above.  Seed and other commodities with substantially more value than indicated above should be reported at their True Tax Value.  Place of Filing - A personal property tax return must be filed in each taxing district where property is located or held on the assessment date.  A return may cover all business locations in a single township. However, if the property is located in two or more taxing districts within the same township, a separate return must be filed reporting the property in each of the taxing districts.  Exotic animals such as ostriches, emus, and llamas should be reported at their cost.  CCC grain used as collateral for a government loan remains the property of the farmer until title is passed to the federal government.
